Dear Helen, Marie, Dick:

This picture book of selected works from the Museum collections is the very last "happening" of the Golden Anniversary Year which officially ended June 13. I've also enclosed some photographs which pictorially recapitulate the major events of this past year if you should like to mention them, and the fact that our Golden Anniversary Year has drawn to a close with the publication of this book.

Cordially,

Telephone 421-7340
